

NOTIFICATION REGARDING THE NEW CORONAVIRUS DISEASE (COVID-19)

Information for travelers arriving from affected areas

Regarding the new coronavirus disease (COVID-19), if you are travelling from affected areas,
UPON ARRIVAL IN SPAIN
please keep the following recommendations in mind:

- If you don't have any symptoms you can go about your daily life (family, work, leisure and/or scholar).
- Monitor your health for the following 14 days after arriving from affected areas.
- If during that period of time you develop symptoms of acute respiratory infection; such as

fever,

cough or

shortness of breath,

stay at home/accommodation and

Dial 061

Information telephone for citizens 900 400 116

and inform of your recent trip and symptoms.
